

KEMI.com Administrator Designation Form

To ensure the security of KEMI Servers, the Account Holder's President, CEO, or Designee shall designate an administrator. By designating an administrator, the Account Holder represents and affirms that such person is trustworthy to ensure the security, confidentiality, and integrity of information accessible over KEMI Access Portals.

The Account Holder's administrator is responsible for creating and maintaining the security of all existing and new authorized user name(s) and password(s). In addition, the designated administrator shall have the rights to grant and revoke authority for the Account Holder up to, but not exceeding, the administrator's own rights.
